Professor Dinesh Bhugra is Professor of Mental Health and Cultural Diversity at the Institute of Psychiatry, King's College London. He is also an Honorary Consultant at the Maudsley Hospital, where he runs the sexual and couple therapy clinic.

Professor Bhugra's research interests are in cultural psychiatry, sexual dysfunction and service development. He has authored/co-authored over 300 scientific papers, 90 chapters and is the author/co-author/editor/co-editor of 30 books.

His recent volumes include *Mental Health of Refugees and Asylum Seekers* (Oxford University Press, Highly Commended in the 2011 BMA Medical Book Awards), *Migration and Mental Health* (Cambridge University Press), *Psychiatry's Contract with Society* (Oxford University Press), *Professionalism in Mental Health* (Cambridge University Press), *Principles of Social Psychiatry* (Wiley-Blackwell) and *Textbook of Cultural Psychiatry* (Cambridge University Press, Commended in the BMA Book Awards in 2008).

His most recent monograph, *Mad Tales from Bollywood: Portrayal of Madness in Conventional Hindi Cinema*, was published in 2006.

He is the Editor of the *International Journal of Social Psychiatry*, *International Review of Psychiatry* and *International Journal of Culture and Mental Health*.

Professor Bhugra has been instrumental in developing various training packages for health service professionals and developing strategies for psychiatric education. In conjunction with this, in 2007 the Royal College of Psychiatrists published *Workplace-Based Assessments in Psychiatry*, of which he was one of the editors; the second edition will be published in 2011. In addition, *Workplace Based Assessments in Psychiatric Training* will be published by Cambridge University Press in 2011. He has developed teaching modules and short courses for medical students and psychiatric trainees on Cultural Psychiatry and on Cinema and Psychiatry.

From 2008 to 2011 he served as President of the Royal College of Psychiatrists in the UK.
