

Document Title: Suicidology Section Activity Report 2024
 Document Type: Section Activity Report
 Author: Section Officers
 Date Created: November 2025

WPA Suicidology Section - Activity report 2024

This document serves as the Annual Activity Report of the WPA Suicidology Section. It reports on the activities carried out by the section in 2024 and ongoing or future activities planned.

Table of Contents

<i>WPA Suicidology Section - Activity report 2024</i>	1
Completed activities 2024	2
Upcoming activities for 2025	3
Scientific publications by section members in 2024	4

Completed activities 2024

Section Symposia

- **Section Symposium** – European Symposium on Suicide and Suicidal Behaviour, Rome (ESSSB), Italy, 28-31 August, 2024
“WPA Suicidology Section Symposium: Navigating Adversity - Perspectives on Suicide Prevention from Individual to Societal Levels”

Workshops

- **Hybrid workshop** on “Advancements in Transcultural Suicidology” 2024 – Stockholm, Sweden & Online

Scientific presentations

- 2024. August 30. Rome, Italy at the 20th European Symposium on Suicide and Suicidal behaviour by Vladimir Carli
 - “Low Intensity Interventions for Suicide Prevention: Opportunities and Challenges”
- 2024. June 6-7. Riga, Latvia at the Nordic congress of Psychiatry by Danuta Wassermann
 - “Mental Health for all Challenges and prospects, WPA Action Plan 2023-2026”
- 2024. March 13-15. Stockholm, Swede at the Svenska Psykiatrikongressen by Danuta Wassermann
 - “How to achieve better suicide prevention?”
 - “Public Health and Healthcare approaches to suicide prevention”
 - “Preventing suicide in a changing world”

Educational activities

- Two courses about suicide prevention and risk assessment for clinicians (in English and Spanish) held at the World Psychiatric Congress (WCP) 2024 in Mexico City with title: “Beyond the Basics: Advanced Suicide Assessment and Prevention Strategies in Practice”

Update of the WPA website of the section

2024 October

- Update of the ‘About’ section and ‘Recommended Readings List’
- Addition of further sections on recent section symposia and other activities organized by the section.

More recently:

2025 February & April

- Updated section members’ list was published in 2025 February following the acceptance of new requests to join at the end of 2024.

Other activities

- Section Officer participation to the Sections Meeting during WCP 2024 in Mexico City.

Upcoming activities for 2025

State-of-the-Art presentation at the WCP 2025 in Prague:

Vladimir Carli: Moving forward: From the identification of high-Risk Individuals to the implementation of scalable and accessible interventions

Section Symposium at WCP 2025 in Prague:

WPA Suicidology Section Symposium: Integrating Insights from Research and Practice to Enhance Suicide Prevention

Course at the WCP 2025 in Prague:

“From insight to practice: Advanced suicide risk assessment and prevention”

3rd hybrid workshop: Open Questions in Transcultural Suicidology

<https://news.ki.se/calendar/workshop-open-questions-in-transcultural-suicidology>

Scientific publications by section members in 2024
