

Shih-Ku Lin, M.D.

Current Position: Physician,
Linkou Chang Gung Memorial Hospital

Specialization: Neuropsychopharmacology,
Addiction Medicine, Clinical Trials

Email: sklin@tpech.gov.tw; sklintpc@gmail.com

Tel: +88699307713

BIRTHDATE: January 17, 1955

EDUCATION & POSTGRADUATE TRAINING

Medical Degree (M.D.), Kaohsiung Medical University, School of Medicine (1975–1981)

Residency in Psychiatry, Taipei City Psychiatric Center (1983–1987)

Fellowship in Child Psychiatry, University of Kansas Medical Center, USA (1988–1989)

Mentors: Professors Yi-Chao Tsai and Chi-Wan Lai

MILITARY SERVICE

Commissioned officer in the elite Special Forces Unit., Taiwan (1981 – 1983)

PROFESSIONAL EXPERIENCE

Linkou Chang Gung Memorial Hospital (2020 – Present)

Director of Department of Psychiatry, Taipei City Hospital, Songde Branch (Former Taipei City Psychiatric Center) (2004 – 2020)

Director, Department of Addiction Prevention and Treatment (1993–2004)

Adjunct Associate Professor, College of Medicine, Taipei Medical University (1995–2020)

LEADERSHIP & BOARD APPOINTMENTS

International & Regional Leadership

Vice President, Asian College of Neuropsychopharmacology (AsCNP) | Current

Vice President, International College of Neuropsychopharmacology (CINP) | 2018 – 2022

Co-Principal Investigator, Research on Asian Psychotropic Prescription Patterns (REAP) |
Current

National Leadership (Taiwan)

President, Taiwanese Society of Biological Psychiatry and
Neuropsychopharmacology (TSBPN) | 2016 – 2019

Founding President, Taiwanese Society of Association 2008-2011
Secretary-General, Taiwanese Society of Psychiatry (TSOP) | 1997 – 1999

Supervisor, Taiwanese Society of Biological Psychiatry and
Neuropsychopharmacology (TSBPN) | Current
Supervisor, Taiwan Society of Schizophrenia Research (TSSR) | Current
Consultant, Smoking Cessation Committee, Taiwan Association of Family Medicine

RESEARCH INTERESTS & CLINICAL TRIALS

Neuropsychopharmacology: Focus on ethnic differences in pharmacokinetics and population dynamics.

Addiction Medicine: Researching alcohol and heroin dependence, methamphetamine-induced psychosis, and ketamine use disorder (genetics, psychopathology, and clinical intervention).

Clinical Trials: Over 20 years of experience as a Principal Investigator in Global and Regional Phase II and Phase III clinical trials for psychotropic medications.

KEY CONTRIBUTIONS & AWARDS

Policy Development: Actively participated in the formulation and amendment of the Statute for Prevention and Control of Narcotics Hazards in Taiwan.

Clinical Innovation: Founded the "Mountain Elephant School" addiction recovery model at Taipei City Psychiatric Center, bridging pharmacotherapy, psychotherapy, and legal disposition.

Honors: Recipient of the 1st Anti-Drug Distinguished Service Award, Executive Yuan, Taiwan. (1995)

PUBLICATIONS & EDITORIAL SERVICE

Peer-Reviewed Papers: Over 190 academic papers published in international journals.

REAP Consortium: Co-led the largest and longest-running international psychiatric collaboration in Asia, resulting in 100+ publications.

Journal Reviewer: Serving as a regular reviewer for multiple high-impact international psychiatric and pharmacological journals.

Compared to all ResearchGate members

Your Research Interest Score is higher than 97% of ResearchGate members.

Compared by date of first publication

Your Research Interest Score is higher than 87% of ResearchGate members who first published in 1989.

Compared by research area

Your Research Interest Score is higher than 96% of researchers with work related to:

Clinical Pharmacology
